

Invoicing Options

Because everyone runs their business differently, we offer four invoicing options to meet a variety of individual needs. Simply choose the one that's right for you.

- **Hourly Consulting:** Paid per hour. In person, by phone, fax or email. Payment required at time of service.
- **By Project:** Clearly defined work to be performed with estimated completion date. Payment required: 50 percent down and balance due upon completion.
- **Outsourced Marketing Department:** Creative Endeavors Consulting Partners becomes your Marketing Department, and works on a monthly retainer. Hours are deducted from the retainer at a negotiated rate per hour (production time) or a negotiated rate per hour (consulting time) as work progresses. Expenses are billed as a separate item. The client pays a retainer to Creative Endeavors each month depending upon the number of hours committed. Agreements are available for periods of one year or more depending on the work to be done. Percentage of revenues extends beyond service portion of the agreement.
- **Contracted marketing:** For a specific marketing endeavor, a performance agreement is available and negotiated depending upon the scope of the work and results desired.

We accept the following Credit Cards: VISA® MasterCard®
